

Test

The Academy Is...

Look like a lush, talk like a tease
The way you like it
In front of your house, alone on the street
You ask me to come inside Asleep through all our classes
You hang me out to dry If this is a test Im losing my shit
Would it kill you to care as much as I did?
If this is a test Im wasting my breath
Youre a stranger I know well and not at all Heart on a hook, thrown out to the sea
Your basement busy
Sitting in the dark, I turn the radio off
For a phone call youll likely miss Wake me when its over
The last sound of goodbye If this is a test Im losing my shit
Would it kill you to care as much as I did?
If this is a test Im wasting my breath
Youre a stranger I know well and not at all Lets imagine the end before we even begin you said
Lets imagine the end before we even begin you said
You said, you said If this is a test Im losing my shit
Would it kill you to care as much as I did?
If this is a test Im wasting my breath
Youre a stranger I know well If this is a test Im losing my shit
Would it kill you to care as much as I did?
If this is a test Im wasting my breath
Youre a stranger I know well and not at all, not at all
Youre a stranger I know well and not at all, and not at all
Youre a stranger I know well
