Test

The Academy Is...

Look like a lush, talk like a tease
The way you like it
In front of your house, alone on the street
You ask me to come insideAsleep through all our classes
You hang me out to dryIf this is a test Im losing my shit
Would it kill you to care as much as I did?
If this is a test Im wasting my breath
Youre a stranger I know well and not at allHeart on a hook, thrown out to the sea
Your basement busy

Sitting in the dark, I turn the radio off
For a phone call youll likely missWake me when its over
The last sound of goodbyeIf this is a test Im losing my shit
Would it kill you to care as much as I did?
If this is a test Im wasting my breath

Youre a stranger I know well and not at allLets imagine the end before we even begin you said

Lets imagine the end before we even begin you said

You said, you saidIf this is a test Im losing my shit

Would it kill you to care as much as I did?

If this is a test Im wasting my breath

Youre a stranger I know wellIf this is a test Im losing my shit

Would it kill you to care as much as I did?

If this is a test Im wasting my breath

Youre a stranger I know well and not at all, not at all
Youre a stranger I know well and not at all, and not at all
Youre a stranger I know well
