

# The Fear (Moonlight remix)

**Ben Howard**

Mama, cold hearted child, tell me how you feel  
Just a blade in the grass, spoke unto the wheel  
Mama, cold hearted child, tell me where it all falls  
The luster of your bones, those arms that held you strong I been worryin' that my time is a little unclear  
I been worryin' that I'm losing the one's I hold dear  
I been worryin' that we all live our lives in the confines of fear  
Mama, cold hearted child, tell me how you feel  
Just a grain in the morning air, dark shadow on the hill  
Mama, cold hearted child, tell me where it all goes  
Is that what you feel will make a fool of our soul? I been worryin' that my time is a little unclear  
I been worryin' that I'm losing the one's I hold dear  
I been worryin' that we all live our lives in the confines of fear And I will become what I deserve I been  
worryin', I been worryin'  
I will become what I deserve I been worryin' that my time is a little unclear  
I been worryin' that I'm losing the one's I hold dear  
I been worryin' that we all live our lives in the confines of fear
