

Robots and Monkeys

The Ordinary Boys

Where have they gone?
Where have they gone?
All the days when we didn't know,
Right from wrong?

Now we're so grown up,
Just like we wanted to be,
Building up debts,
I won't be i won't be

What do you want to be,
A robot or a monkey? x2

What can you do?
What can you do,
Money has a way,
Of catching up with you,

Yeah yeah,
And now you work all day,
And you sleep all night,
And you work all day,
It's not right it's not right

What do you want to be,
A robot or a monkey? [Repeat: x2]

What do you want to be,
A robot or a monkey? [Repeat: x2]
