Where the Earth Meets the Sky

Inter Arma

Skyward we follow
To paths unseen.
Spirit to guide us,
Continue to be.Lighting our way now...
Journey back home;
Finish this suffering.
Never left alone...She has been set free.
She will not die;
She will now rest
Where the earth meets the sky.
The light in her eyes
Burn through the night.
Circles that hang,
That fall and rise...Lighting our way now...
Journey back home;
Finish this suffering.
Never left alone...
She has been set free.
She will not die;
She will now rest
Where the earth meets the sky
