

# Fool's Paradise

## Symphony X

What's become of the world - the colors  
unfurl revealing a blackened haze  
Conditioned to fear the voice that we  
hear - calling an end of days  
Millions of souls under control  
like pawns to a king, led by a string, to  
the final hour Oh - Empire of the Sea, Lords of  
technology that fell into the void  
Oh shall it be as it was before - a  
tragedy on every shore? Is this the end of all we know -  
Innocence lost so long ago  
Woven in dreams - the darkest of  
schemes now takes hold of our destiny  
Decades of greed, plague, famine and  
war - we can't go on like this anymore  
living like fools - chaos will rule this  
eternal paradise Death by design, altering birth - trends  
of the modern age  
the wisdom of life erased from the  
Earth - in a reckless rampage Oh - Empire of the Sea, Lords of  
technology that fell into the void  
Oh shall it be as it was before - a  
tragedy on every shore? Is this the end of all we know -  
Innocence lost so long ago  
Woven in dreams - the darkest of  
schemes now takes hold of our destiny  
Decades of greed, plague, famine and  
war - we can't go on like this anymore  
living like fools - chaos will rule this  
eternal paradise Dies Irae, Dies Illa, Solvet Saeclum in  
favilla Decades of greed, plague, famine and  
war - we can't go on like this anymore  
living like fools - chaos will rule this  
eternal paradise Is this the end of all we know -  
Innocence lost so long ago  
Woven in dreams - the darkest of  
schemes now takes hold of our destiny  
Decades of greed, plague, famine and  
war - we can't go on like this anymore

Lost in the Night - fading from sight - is  
this the final setting sun?
