

Fix You Up

[Kari Kimmel](#)

What do I, what do I, what do I need
To do to see myself in a better mood?
And what do you, what do you, what do you need
To do to get yourself in a better mood? Well, there's not a lot for you to give if you're giving in
And there's not a lot for you to feel if you're not feeling it
You bring it up and bring it in and we'll get you fixed up in no time And what I wanted most, what I wanted
most, what I wanted most
Was to get myself all figured out
And what I figured out, what I figured out, what I figured out
Was that I needed more time to figure you out 'Cause there's not a lot for you to give if you're giving in
And there's not a lot for you to feel if you're not feeling it
You bring it up and bring it in and we'll get you fixed up in no time 'Cause this love is all I have to give
Oh, this love is all I have to give
'Cause this love is all I have to give
'Cause this love is all I have to give There's not a lot for you to give if you're giving in
And there's not a lot for you to feel if you're not feeling it
Well, there's not a lot for you to give if you're giving in And there's not a lot for you to feel if you're not feeling
it
You bring it up and bring it in and bring it in
And we'll get you fixed up in no, we'll get you fixed up in no time 'Cause this love is all I have to give
Oh, this love
