Walk You Down

Basia Bulat

Anytime that you ask for me
With a promise you can never keep
If you know devotion is hard to see
You're never looking for your crown.
But it's there every time you're near me
Now I know that I love you dearly
And you know the ending better than me
It's all tied up in my hair like the prettiest song.And the day you fall apart,
If you're not too proud, will you walk me down?
When I've been so lost
And if I never give you up,
If I'm not too proud, oh I'll walk you down.
If you never turn your mind on me
Where the chapel in your eyes had been
If you know devotion is hard to keep
And you can only let it go.
But it's there anytime you're near me
Oh I know that I love you dearly
But you know the ending better than me
You're hanging me in your crown, where I don't belong.And on the day I fall apart,
If you're not too proud, will you walk me down?
When I've been so lost
And if I never give you up,
You're not too proud
Oh I'll walk you down.
But if it seems dark, if I say that you're mine
If all confessions were enough, dear
If I only knew how
I'm still there tied up in that crown.
On the day I fall apart,
If you're not too proud,
Will you walk me down?
Well I've been so lost,
I never want to give you up
But I know I'm found.
Oh I've heard it now.
Oh, I'll walk you down.
