

# Keep On Pushin'

## Gene Clark & The Gosdin Brothers

Keep your feet on the ground  
Don't let 'em bring you down  
All you got to do is keep on pushin' All the things they say  
Won't always work that way  
Satisfy your mind and keep on pushin' All I ever want to see  
Baby, please, that you're not down on me  
Every time I call, call up on you  
All you got to do is keep on pushin' All the things you do  
You got to see 'em through  
Satisfy your mind and keep on pushin'  
All I ever want to see  
Baby, please, that you're not down on me
