Rip Off

Sham 69

All foreign feet down Oxford street
Faces from places i've never been
All the shops and restaurants
Ask for money i haven't gotI,ts just a fake make no mistake
A rip off for you but a rolls for themTell the kids get to grips
Don't wanna buy or eat no more
The kings road shopper make us poor
Time is running out for usI'ts just a fake make no mistake
A rip off for you but a rolls for themI'ts just a fake make no mistake
A rip off for you but a rolls for them
