

Tired Of You

Slick Shoes

There's no better way to tell you how I feel than this
Don't act so surprised, it's been like this a long time
Every time you turn your back on me
It breaks my heart to think of all those times that I was there for you
If there ever comes a time when I won't be there
I hope you have some time and find someone else to abuse
'Cause I won't be there, I'm not a fool And I am getting tired of you
Getting tired of you
Getting tired of you I remember those rainy days when I stayed in
I'd call you on the phone and try to be your friend
But to no avail, I swore it that'd never happen again
Two phone calls later and I gave it
I'm such a sucker, why do I try so hard?
The simple things I do to prove, I care for you
'Cause I won't be there, I'm not a fool And I am getting tired of you
Getting tired of you
Getting tired of you
