

I Keep Forgetting

Procol Harum

I keep forgetting you don't love me no more
I keep forgetting you don't want me no more
I keep forgetting that you told me that you
 Didn't want me around anymore
 But these stupid old feet
 Just head for your street
Like they've done so many times before
 And this stubborn old fist
 At the end of my wrist
Keeps knocking on your front door
I keep forgetting you don't love me no more
I keep forgetting you don't want me no more
I keep forgetting about those heartbreaking nights
Ant those heartbreaking things that you said
 Though it's plain as can be
 You're finished with me
I can't believe our love is dead
 Though I know in my heart
 We've drifted apart
I just can't get it through my head
