

# UPROAR

## Blazin' Squad

[CHORUS]

Everywhere we go uproar  
When u see us in the club on tour uproar  
We get we spit we go uproar  
We're runnin up the zones..uproarR to the B in the pourin rain  
Eyes blood shot + clothes blood stained  
Edge draws near but i dont complain  
M-I-C thats my domain  
Bun mcs like prok chow main  
Watch them fry sippin on champagne  
Star of lyrica must maintain  
Baman lyrics flow thru my veinsYo cha cant make that my stata  
Im a lyrical 2 die, my name iz sniper  
Gonna spit on the rhytm like a drak warior  
Leadin the way im a navigator like uproar  
Whos that man sniper?  
With the TN preps and the schott jumpa  
White viser,the coppa red top  
With the deep blue avis + the sea light vaStop coz my flow is too slow  
Any flows a beating + bringin the tempos  
As a beepin + the greatin the heating the next,Hoes  
Yo coz we can beat control  
Listen coz its the way that we play keepin bitches at bay  
What's my name at the end ov the day  
Yo F-L-A-V-A  
You wanna lace the track  
You wanna place[CHORUS]You wanna rap like me  
Chat like me  
Sound like me  
Ride M-I-C like me  
H double O D  
When my low batty  
K (live 2day) N Z I EU wanna test me  
Vex me  
Come try step to we  
Too dangerous  
Too high za dust  
To the rhythm and a blaze  
Kenzie but the sounds of the darkest darkest mcMcs when I step to this

Step to that step 2 that  
Who's that baman wiv the lyrical chat  
That me R double E PA  
Showin u the way 2 the day  
When u gonna make the money  
Gonna get the pay  
Blazin squad we neva fade away  
In the time and the place  
Blazin up a uproar in your face  
Turnin up the bass neva goina solve the case So everything we do is uproar (uproar)  
And everywhere we go is hardcore (hardcore)  
So dont test me on the m-i-c  
Coz u kno we gonna do it more  
Hear that what what what whats that?  
That's phat check check check that  
Tommy b upon the slip  
Slip that check that  
That's phat way back Selecta [girl chatting on the phone] [CHORUS] I've told You that you werent ready  
But you never believed  
That a 10 man klik could whip these typa choons  
To the table can you test these flows?  
NEVER
