

Not King James Version

Steel Pulse

David HindsCHORUS

A dis ya version

A no King James version

'Cause out of Africa

Came the Garden of EdenHidden from me I was never told

Ancient prophets black and gold

Like Daniel, King David and Abraham

Israel were all black men

I don't wanna lose youJaphet tried his best to erase

The godly parts we played

I says he came and took

And never mention in his book... soCHORUS

A dis ya version

A no King James version

'Cause out of Africa

Came the Garden of EdenIn Esau's chapter of history

So little mention of you and me

We rulers of kingdoms and dynasties

Explored this Earth for centuries

I don't wanna lose ya

Phoenicians, Egyptians and the Moors

Built civilisation, that's for sure

Creators of the alphabet

While the West illiterate..yehCHORUS

A dis ya version

A no King James version

'Cause out of Africa

Came the Garden of EdenAfrican heritage

I don't wanna lose ya

Oh, noSlavery came and took its toll

In the name of John Bull Dog

Said we turned our backs on God

Lost the powers that we had

Now our backs against the wall

Ask ourselves about the fall

Rise rise rise

Hold on to your cultureCHORUS

A dis ya version

A no King James version

'Cause out of Africa
Came the Garden of EdenI don't wanna lose ya
I don't wanna lose ya
Never let them fool you
