

# World Championship Finale 1

## Das Sound Machine

Be careful making wishes in the dark  
Can't be sure when they've hit their mark  
Besides in the meantime I'm just dreaming of tearing you apart  
I'm in the details with the devil  
Now the world can never get me on my level  
I just got to get you out of the cage  
I'm a young lovers rage  
Gonna need a spark to ignite  
My songs know what you did in the dark  
So light em up, up, up  
Light em up, up, up  
Light em up, up, up  
I'm on fire  
So light em up, up, up  
Light em up, up, up  
Light em up, up, up  
I'm on fire

DSM goin' in on the verse  
Cause they never been defeated on the verse and they won't stop now  
Get your hands up, put 'em in the sky  
[?] folks locked down  
Make millions every year  
International champions  
Cause all I do, all I, all I, all I, all I do is win  
Hey!

All I do is win, win, win, no matter what  
Got money on my mind, I can never get enough  
And every time I step up in the building  
Everybody hands go up  
And they stay there (Light em up, up, up)  
And they stay there (Light em up, up, up)  
And they stay there (Light em up, up, up)  
I'm on fire  
Cause all I do is win, win, win  
And if you're goin' in, put your hands in the air, make 'em stay there! (Light em up, up, up)  
And they stay there (Light em up, up, up)  
And they stay there (Light em up, up, up)

I'm on fire  
Cause all I do is win, win, win  
And if you're goin' in, put your hands in the air, make 'em stay there!  
So light em up, up, up  
Light em up, up, up  
Light em up, up, up  
I'm on fire
