

Mother In Law

Cubanismo In New Orleans

Mother in law, mother in law
Mother in law, mother in law
The worst person I know
Mother in law, mother in law She worries me so
Mother in law, mother in law
If she leaves us alone
We could have a happy home
Sent from down below Mother in law, mother in law
Mother in law, mother in law
Satan should be her name
Mother in law, mother in law
To me they're about the same
Mother in law, mother in law Every time I open my mouth
Steps in trying to put me out
How could you stood so low?
Mother in law, mother in law
Mother in law, mother in law Come home with my pay
Mother in law, mother in law
She asks me what I made
Mother in law, mother in law She thinks her advice is a contribution
If she would leave that would be the solution
Don't come back no more Mother in law, mother in law
Mother in law, mother in law
Mother in law, mother in law Mother in law, mother in law
Mother in law, mother in law
Mother in law, mother in law
