Jealousy

Dave Stewart

Well, I've had a lot of money
I had a good paying job
But all I want is for her to be happy
To do something she can be proud of

But all I want
That's all I need

All I want is for her to keep loving me
And that eternal flame will remain
We will sustain

And that jealousy ain't no part of me
Jealousy ain't no part of me
Jealousy ain't no part of me
Jealousy
(So she can keep loving me)

Walking around with a chip on my back
(This man don't care)
I don't care, rat a tat tat

All I want is just a little of your love
I want to give you something, baby
You could be real proud of

All I want, that's all I need
(All I, yes all I)
All I want, that's all I need
(All I need)
For you to keep loving me
(Oh yeah)

[Incomprehensible]

Give you good loving, make you proud of me
Give you good loving, make you proud of me
(Right now)
Give you good loving, make you proud of me
Give you good loving, make you proud of me

(Give me good loving, make you proud of me)
Give you good loving, make you proud of me

(All I want and all I need is you to keep on loving me)
Just keep on loving me, yeah

Like the water to the sea
Let it flow, just let it be
Like the wind, when it blows
You can't see it but somehow you know it's cold

(All I need)
All I need is for you to keep loving me
And that eternal flame will remain
We will sus-sustain

Jealousy ain't no part of me
Jealousy ain't no part of me
(Jealousy, no part of me)
Jealousy ain't no part of me
(Jealousy, no part of me)
Jealousy
(Then you can keep loving me)

Jealousy
(All I want)
Jealousy
(And all I need, yeah)
Jealousy
(All I want)
Jealousy
(You keep loving me)

[Incomprehensible]

You keep loving me
(That's all I want)
Jealousy
(I need)
Jealousy
(I want)
Jealousy
(I need)

That's all I need to keep loving me
