I've been..Oh I've been waiting desperately  
And my heart is here right next to me  
And I'm caught waiting in the rain  
x2And I know and I need you in the storm  
And I oh-oh-oh-I-I, oh-oh-oh-I-I-I-IHey hey you wanna play but baby I can go and go  
And every other day you're running off with so and so  
But baby I would throw you if I didn't know you but I'm paying for it  
x2ooh ha huh ha huh ah huh ah huhBaby I would throw you if I didn't know you but I'm paying for itI hold on  
And I don't care what you say  
But the way it goes it's happening everyday  
I can see space on my radioI hold on  
And I don't care what you say  
'Cause the way it goes it's happening everydayEveryday x 5  
day  
d-day d-day  
Everyday  
d-day d-day  
Everyday  
d-day d-dayHey hey you wanna play but baby I can go go  
And every other day you're running off with so and so  
Baby I would throw you if I didn't know you but I'm paying for it  
x2
