

# A Satisfied Mind

[Jean Shepard](#)

How many times have you heard someone say  
"If I had his money, I could do things my way"  
But little they know that it's so hard to find  
One rich man in ten with a satisfied mind  
Once I was winning in fortune and fame  
Everything that I dreamed for, to get a start in life's game  
Then suddenly it happened, I lost every dime  
But I'm richer by far with a satisfied mind  
Money can't buy back your youth when you're old  
Or a friend when you're lonely or a love that's grown cold  
The wealthiest person is a pauper at times

Compared to the man with a satisfied mind  
When life has ended and my time has run out  
My friends and my loved ones will leave, there's no doubt  
But there's one thing for certain when it comes my time  
I'll leave this old world with a satisfied mind  
How many times have you heard someone say  
"If I had his money, I could do things my way"  
But little they know that it's so hard to find  
One rich man in ten with a satisfied mind
