

Leopard-Skin Pill-Box Hat

Bob Dylan

Well I, see you got your
Brand new leopard-skin pill-box hat
Yes I, see you got your
Brand new leopard-skin pill-box hat
Well, you must tell me, babyÂ how your
Head feels under somethin' like that
Under your brand new leopard-skin pill-box hatWell you, look so pretty in it
Honey, can I jump on it sometime?
Yes, I just wanna see
If it's really that expensive kind
You know it balances on your headÂ just like a
Mattress balancesÂ on a bottle of wine
Your brand new leopard-skin pill-box hatWell if you, wanna see the sun rise
Honey, I know where
We'll go out and see it sometime
We'll both just sit there and stare
Me with my beltÂ wrapped around my head
And you just sittin' there
In your brand new leopard-skin pill-box hatWell, I asked the doctor if I could see you
It's bad for your health, he said
Yes, I disobeyed his orders
I came to see youÂ but I found him there instead
You know, I don't mind him cheatin' on me, but I
Sure wish he'd take that off his head
Your brand new leopard-skin pill-box hatWell I, see you got a new boyfriend
You know, I never seen him before
Well, I saw youÂ makin' love with him
He forgot to close the garage door
You might think he loves you for your money, but
I know what he really loves you for
It's your brand new leopard-skin pill-box hat
