Weighed Down With Sorrow

Insomnium

Nothing can offer content
Nothing can ease the pain
Nothing can wear off the sorrow
One is born to bear withinWhile your world is worth of trying
My world is mere cold
No chance in disillusion
Only the end of the roadMan weighed down with sorrow
Anguished from the sole being
Destined to live with uneasiness
Always the hard wayNothing can offer content
Nothing can ease the pain
Nothing can wear off the sorrow
One is born to bear withinWhile your world is worth of trying
My world is mere cold
No chance in dissolution
Only the end of the roadNothing can offer content
Nothing can ease the pain
Nothing can wear off the sorrow
One is born to bear withinWhile your world is worth of trying
My world is mere cold
No chance in dissolution
Only the end of the roadCold is the world
For the ones excluded
Dark is the path
In the absence of light
Compelled to cherish beauty in longing
Cling on love amidst of the sufferingNo chance in dissolution
No, no. No! Not in this world
Not for a man
Weighed down with sorrow
Only the end of the road
