

# A Song for You

## Whitney Houston

I've been so many places in my life and time  
I've sung a lot of songs and made some bad rhymes  
I've acted out my live in stages with ten thousand people watching  
Well, we're alone now and I'm singing this song to you I know your image of me is what I hoped to be  
I've treated you unkindly but darling can't you see  
There's no one more important to me? Baby, can't you see through me?  
We're alone now and I'm singing this song to you You taught me precious secrets of the truth withholding  
nothing  
You came out in front when I was hiding  
But now I'm so much better and if my words don't come together  
Listen to the melody 'cause my love is in there hiding I love you in a place where there's no space or time  
I love you for my life, you are a friend of mine  
And when my life is over remember when we were together  
We were alone and I was singing this song for you This song is for you, this song is for you  
This song is for you  
This song is for you, you, you, you  
You, you, you, you, you I love you in a place, my dear friend where there's no space or time  
I love you for my life, you are a friend of mine  
And when my life is over remember when we were together  
We were alone and I was singing this song to you We were alone and I was singing this song to you  
We were alone and I was singing this song  
Oh yeah, singing this song  
I was singing this song just for you
