

Miss You

Enrique Iglesias

Yeah, miss you Tonight I feel so cold and lonely
And baby you're so far away
The space between us keeps on growing
How I wish that you could hear me when I'd say No, no, no, no, no, no, no, no
Wish you could hear me saying
No, no, no, no, no, no, no, no Oh, I miss you, oh, I miss you
Oh, baby, since you walked away
Oh, I miss you, oh, I miss you
I miss you more and more each day Now, tell me do you think about me?
Coz I think about you all the time, yeah
A million miles just stand between us
But I don't wanna stop until you're mine No, no, no, no, no, no, no, no
Wish you could hear me saying
No, no, no, no, no, no, no, no Oh, I miss you, oh, I miss you
Oh, baby, since you walked away
Oh, I miss you, oh, I miss you
I miss you more and more each day Dale mamacita que la vida tiene ritmo,
Dale mamacita que la vida tiene ritmo,
Dale mamacita que la vida tiene ritmo,
Dale mamacita que la vida tiene ritmo No, no, no, no, no, no, no, no
Wish you could hear me saying
No, no, no, no, no, no, no, no Oh, I miss you, oh, I miss you
Oh, baby, since you walked away
Oh, I miss you, oh, I miss you
I miss you more and more each day Oh, I miss you, oh, I miss you
Oh, baby, since you walked away
Oh, I miss you, oh, I miss you
I miss you more and more each day I miss you more and more each day
I miss you more and more each day
I miss you more and more each day
