In The Lonely Hour (Album Trailer)

Sam Smith

I need someone, that I'll look to,
In the lonely hour, that we all go through
To give me comfort, and love me through
In the lonely hour, I need youI need you
I need youI don't need diamonds, I don't need jewels
No amount of riches will cover up these blues
I don't need suggestions, on how to start anew
In the lonely hour, I need youThere's nothing I can do
I'm helpless without youIt's a lonesome point of view
When there's a wishful silence, in an empty room
These other voices, they don't cut through
In the lonely hour, I need youI need you
And I need youI need someone, that I'll look to,
In the lonely hour, I need you
I need you
