

Headspin

[Lukas Rossi](#)

All I wanna say
Is you're the satellite in my life
Lost inside your eyes
The vision never dies... oh
Oh Just take my hand
We'll float in never land Then I hear you say
Let's live for the moment this time
Why don't you just make up your mind You make my head spin
You make my head spin
Why, why do you You make my head spin
You make my head spin
Why, why You love to build me up
Just to tear me down
Wouldn't it be nice
If we find paradise someday Then I hear you say
Let's live for the moment this time
Why don't you just make up your mind You make my head spin
You make my head spin
Why, why do you? You make my head spin
You make my head spin
Why, why Did I hear you say
You wanna be alone
Was there some mistake
How would we ever know I can hear you scream at me
Scream at me I'm not perfect
I'm not perfect
No one is
I'm not perfect
I'm not perfect!
No! You make my head spin
You make my head spin
Why, why do you? You make my head spin
You make my head spin Did I ever mean something
Did I ever mean something to you?
