

# Show

## Silvetty Montilla

Let the show begin  
It's a sorry sight  
Let it all deceive  
Now I'm  
Pains in me that I've never found

Let the show begin  
Let the clouds roll  
There's a life to be found in this world  
And now I see it's all but a game  
That we hope to achieve  
What we can  
What we will  
What we did suddenly

But it's all just a show  
A time for us and the words we'll never know  
And daylight comes and fades with the tide  
And I'm here to stay

But it's all just a show  
A time for us and the words we'll never know  
And daylight comes and fades with the tide  
I'm here to stay
