

# Strings Attached

## New Politics

Danced all night and drank till 10  
I don't even know her name  
One night stands that always fade  
I just wanna run away  
Now cut loose! I got no strings attached to me  
I got no strings attached  
I'm freeSleepless nights and restless days  
Will I ever get my way?  
We all screw up but I deserve a chance  
I wanna kiss you on your face  
Heaven's just a mile away  
Now cut the wire! You're a puppet!
