Leonard Cohen

Well my friends are gone and my hair is grey
I ache in the places where I used to play
And Im crazy for love but Im not coming on
Im just paying my rent every day
Oh in the tower of songIm just paying my rent every day
Oh in the tower of songI said to Hank Williams: how lonely does it get?
Hank williams hasnt answered yet
But I hear him coughing all night long
A hundred floors above me
In the tower of song
