[Chorus: Bizarre] What is on your nasty mind?  
(Nasty mind, nasty mind)  
Don't you wanna get fucked from behind?  
(From behind, from behind)  
They treat me like a dirty slave  
(Dirty slave, dirty slave)  
And beat me like I won't behave  
I just wanna get freaky baby  
[Swift] I'm to Swift on my toes  
To get caught up with you hoes  
You don't know me  
See I don't gotta front to play the role

See you're probably boning them officers  
Just to pull up on me  
That's why sixty percent of women is lonely  
They getting my mix only

They trying to creep slowly because they nosey  
I ain't listen to what my momma told me

Then he fuck 'em and pass 'em to the homies  
I'm a nasty ass macaroni  
You flashing fast money  
You can pass the Roley  
Fuck a alimony  
If you want me  
And ain't out screaming about your monthly  
I'll be sticking your pretty ass until you turn ugly  
You suddenly see stars when fucking me
