

Rose Of Olâ€™™ Pawnee

[Marty Robbins](#)

My rose of ol' Pawnee a flower of a dawn
Blooming tenderly her memory still lingers on
My angel of the night a moonlit reverie
A star of love so bright shines on my rose of ol' Pawnee Sweet are the dreams that I hold in my heart as I go
wanderin' along
Long are the hours since we drifted apart deep in my heart is a song
My angel of the night...Sweet are the dreams...
