

Time Is the Enemy

50 Lions

Those days we gave our all
Unaffected
I bravely faced the fall
No reflection
Freak armies of the night
Misdirected
I fought the useless fight
Unprotected
Don't cry for me
Time is the enemy

Soon I'll be free
I surrender
Sweet moon, she marks the year
Unreflected
How sad she has no tears
So neglected
Don't cry for me
Time is the enemy
Soon I'll be free
I surrender
