Picture This

Blondie

All I want is a room with a view
A sight worth seeing, a vision of you
All I want is a room with a view, ohI will give you my finest hour
The one I spent watching you shower
I will give you my finest hour, oh, yeahAll I want is a photo in my wallet
A small remembrance of something more solid
All I want is a picture of youPicture this, a day in December
Picture this, freezing cold weather
You got clouds on your lids
And you'd be on the skids
If it weren't for your job at the garage
If you could onlyPicture this, a sky full of thunder
Picture this, my telephone number
One and one is what I'm telling you, oh, yeahAll I want is 20/20 vision
A total portrait with no omissions
All I want is a vision of you, oh
If you canPicture this, a day in December
Picture this, freezing cold weather
You got clouds on your lids
And you'd be on the skids
If it weren't for your job at the garage
If you could onlyPicture this, a sky full of thunder
Picture this, my telephone number
One and one is what I'm telling you
Get a pocket computer
Try to do what ya used to do, yeah
