Wrong Man

Rollins Band

You say we're all the same. You don't even know my name.
Sometime somewhere someone wants hurt you and I'm one of them
You think you know about me... You don't know a damn thing about me!
So I take all the blame...
I'm not all men X2 I'm just one man
I'm not that man!
Here's one subject that everyone enjoys: I heard the boys talk the talk
to the boys
I heard the girls say the same thing to the girls
Oh man... It's all the same, neither one's worse
Now-a. I didn't always tell the truth... but then again: neither did you!
I'm not all men X2 I'm just one manI'm not that man!home
I'm not the blame for your misery, take your threats away from me
Get away and leave me well alone, take your damage and take it on back
Take that damage and leave me all alone!
and say: I know everything that you've been through...I won't try to patronize you...
You know... it just might be...
You got no problems with me!
I'm not a rapist in waiting, I'm not the one you should be hatin'Check it out...
I'm not that man!I'm not all men X2 I'm just one man
You take your fear and you pull it inside... It builds up and the rage
starts to rise...
You push it out and your anger is blind... and you see me as an enemy
That's not the way it oughta be... yeah...Hey! Yeah!
Ooh... you generalize and tell me lies, like all I want's between yourFor all the tears and all the pain, and all
those terrible things I never
thighs
All the things that I put you through and all the things that I might do
Don't wonder why I run away when you tell me: it's my time to pay
did
Take a good look wonderin' what ya lookin' at when ya lookin' at me!
Oh yeah! Ya better look even inside... and check that you're mine...
"cause I'm not that man! I'm not that man! No, no, no, I'm not that man!
No, uh! I'm not that man, I'm not that man. Oh no, I... Check it out...
Uh, I'm not that man! No, I
