Trust Nobody

Yung Juko

Look
See I done learned my lesson
Now I pay close attention
I woke up believe that
And all that friend shit I ain't need that
Cause these niggas fake
They don't wanna see you get cake
They'll put a bullet in ya face
They make you catch a case
And these niggas snakes
That's why I cut my grass
Fake niggas won't last
My real niggas we gone putem on they ass
And now I know
Ain't nothin wrong with rollin solo
And now I know
Can't put no trust in these hoes

You can't trust nobody (3x)
Cause they'll put a bullet in yo body
You can't trust nobody (3x)
Cause they'll put a bullet in yo body
Watch it(2x)

I only trust a few niggas
And that's my niggas
If you don't show your real brah
Then I can't fuck with ya
Watch who you call yo nigga
Cause nigga sneak ya
Niggas they start hatin
They wanna sweep ya

You can't trust nobody (3x)
Cause they'll put a bullet in Yo body
You can't trust nobody (3x)
Cause they'll put a bullet in Yo body

Watch it (4x)

Watch who you juice with
Cause they might be on that hoe shit
Niggas change real quick
So keep Yo circle small actually hand pick
You can't really trust what he said
You can't really trust what she said
That's why I'm not trustin
End of discussion

You can't trust nobody (3x)
Cause they'll put a bullet in Yo body
You can't trust nobody (3x)
Cause they'll put a bullet in Yo body

Watch it (4x)
