

Nothing Is Real

Goo Goo Dolls

Hey, anybody in this world?
Can you talk to me a while?
Find a reason for it all?
'Cause I've been thinking backwards
To a place I've never been
To a home that never was
It's like I'm losing it again
And it takes so long
To say these words
Can you wait that long for me?
Hey, nothing is real
It's all what you believe
Something you dream
Inside your head
You know how I feel
Because it's just you and me
Something I need to call my own
To feel and call my own
Duck inside this empty room
And I'm waiting for the sun to come to me
Someday, I'm gonna get this right
Gonna find a better way
I wanna lead another life
I wanted to let you know me
But I'm trapped inside the fear
And I never said a word
Though you always seemed to hear

When I take so long
To say these words
Yeah, you wait so long for me
Hey, nothing is real
It's all what you believe
Something you dream
Inside your head
You know how I feel
Because it's just you and me
Something I need to call my own
To feel and call my own

Hey, nothing is real
It's all what you believe
It's something you dream
Inside your head
You know how I feel
Because it's just you and me
Something I need to call my own
Nothing is real
It's all you believe
Something you dream
Inside your head
Nothing is real
It's all what you believe
It's something I need to call my own
To feel and call my own
