

# You Drive Me Insaneâ€!

## Taylor Hawkins & The Coattail Riders

You drive me insane but I like it  
I like it like that  
I don't need a sign 'cause I see it  
When I look into your eyesI can't explain but it feels good  
Feels good to me  
You drive me insane but I like it  
I like it like thatThis don't mean nothin'  
Why does it tear you apart?  
This don't mean nothin'  
Why is it breaking your heart?Don't analyze, sometimes  
Leave it alone  
Don't ask me why 'cause there's no way  
No way to describeYou drive me insaneThis don't mean nothin'  
Why does it tear you apart?  
This don't mean nothin'  
Why is it breaking your heart?This don't mean nothin'  
Why does it tear you apart?  
This don't mean nothin'  
Why is it breaking your heart?This don't mean nothin'  
Why does it tear you apart?  
This don't mean nothin'  
Why is it breaking your heart?
