

# Sparkling Diamonds

Nicole Kidman

The French are glad to die for love  
A kiss on the hand may be quite continental  
But diamonds are a girls best friend  
A kiss may be grand but it won't pay the rental on your humble flat  
Or help you feed your pompus cat  
Men grow cold as girls grow old  
And we all lose our charms in the end  
But square cut or pear shape these rocks don't lose their shape  
Diamonds are a girls best friendTiffany!  
Cartie!  
Cause we are living in a material world and I am a material girl  
Ah come and get me boys ow!  
Black star, rozz call talk to me harry siblez, tell me all about it!  
There may come a time when a lass needs a lawyer  
But diamonds are a girls best friend  
There may come a time when a heart-boiled employer thinks you're awful nice  
Get that ice or else no dice  
He's your guy when stakes are high but beware when they start to descend  
Ooh, diamonds are a girls best  
Diamonds are a girls best  
Diamonds are a girls best friendLets make love  
Yes! Yes! Tiger! Oh everything was going so well! (screams)  
Cause that's when those louses go back to their spouses  
Diamonds are a girl's best, friend
