

# CRAZY PRAISE

KENNY CURRY

The cherubims and saraphims  
cry holy,  
The cherubims and saraphims  
cry holy.

holy holy holy holy holy,  
holy holy holy holy holy.

were standing on holy grand  
let fire consume us now,

burn up what is none like you  
we only want more of you

we only want more of you

holy holy  
holy holy
