

God Is Workin' On Me

[Rob Biagi](#)

The best of me is coming out today
When I decide to let God have His way
The best of me is coming out right here
When God directs and I don't interfere

Today's been unbelievable
We're blessed and having fun
The future inconceivable
The best is yet to come

God is workin' on me I know
God is workin' on me I know
I'm undergoing transformation
Call me a new creation
God is workin' on me I know.

The best me is coming out today
When I decide to let God have his way
The best of me is coming our tight here
When God directs and I don't interfere

Today's been unbelievable
We're blessed and having fun
The future inconceivable
The best is yet to come

God is workin' on me I know
God is workin' on me I know
I'm undergoin' transformation
Call me a new creation
God is workin' on me I know

And I'm not the way I was
And that's all because of Christ in me

God is workin' on me I know
God is workin' on me I know, I know, I know, I know
I'm undergoin' transformation
Call me a new creation
God is workin' on me, God is workin' on me

God is workin' on me I know
