Valley Of Tomorrow

NEEDTOBREATHE

I am a troubled mind, I am a calloused heart
A failing engine from driving way too hard
Trying way too hard
I pulled a thirty eight out of my bleeding heart
I killed my selfishness for bringing me this far
This far away from youWhen the daylight breaks through the buildings of Chicago
I will stand alone in the valley of tomorrowOh, this is the way I wanna go down
(This is the last time) I'm starting over with you
This is the way I wanna go outI never second-guessed the little voice I heard
It's just a whisper, that sounded like a scream
I ain't never felt so freeWhen the daylight breaks through the buildings of Chicago
I will stand alone in the valley of tomorrowOh, this is the way I wanna go down
(This is the last time) I'm starting over with you
This is the way I wanna go out
(This is the last time) I'm starting over with youI never second-guessed the little voice I heard
It's just a whisper
