

# Valley Of Tomorrow

## NEEDTOBREATHE

I am a troubled mind, I am a calloused heart  
A failing engine from driving way too hard  
Trying way too hard  
I pulled a thirty eight out of my bleeding heart  
I killed my selfishness for bringing me this far  
This far away from you When the daylight breaks through the buildings of Chicago  
I will stand alone in the valley of tomorrow Oh, this is the way I wanna go down  
(This is the last time) I'm starting over with you  
This is the way I wanna go out I never second-guessed the little voice I heard  
It's just a whisper, that sounded like a scream  
I ain't never felt so free When the daylight breaks through the buildings of Chicago  
I will stand alone in the valley of tomorrow Oh, this is the way I wanna go down  
(This is the last time) I'm starting over with you  
This is the way I wanna go out  
(This is the last time) I'm starting over with you I never second-guessed the little voice I heard  
It's just a whisper
