

If I Was Your Man

Ekolu

If I pass your way someday
Knowing you are so lonely
Could I talk to you and say
Do you want to spend the night with me
And we can set the night away
And when the time is right
Here's what I say...

Baby,
If I was your man
Yes I give you love and understanding
There's no doubt with in my mind
Girl I want to spend my life with you
And only you
Girl I want to spend my life with you
And only you...

Now could we take a little stroll?
Girl I wanna get to know you
Like no one else I will be true
Darlin how I would never hurt you
And if we fall in love someday
And I can promise you
I'll be here to stay

Oh
Baby,
If I was your man
Yes I give you love and understanding
There's no doubt with in my mind
Girl I want to spend my life with you
And only you
Girl I want to spend my life with you
And only you...

Instrumental...

Now could we take a little stroll?
Girl I wanna get to know you
Like no one else I will be true

Darlin how I would never hurt you
And if we fall in love someday
And I can promise you
I'll be here to stay

Oh
Baby,
If I was your man
Yes I give you love and understanding
There's no doubt with in my mind
Girl I want to spend my life with you
And only you
Girl I want to spend my life with you
And only you
Girl I want to spend my life with you...
Oh oooooO...

Yeaheee...
Ohooo? 2x
