

Right Girl

Daniel Bedingfield

Im gonna do it right girl, Im gonna hold you tight girl
Till then, I gonna wait, anticipate that day
Im waiting for the right time, when youll be mine
You say that you love me, Im still gonna say Girl, you are the reason I wait and when comes the season
I know Im gonna give you the best girl
You tug on the strings of my heart, sometimes I could break them apart
But, if you wait till later, itll be better Im gonna honor your body anyway I can, now, baby
Cause we belong to somebody and that someone is God
When we do, well have wed each other
Forsaken all others, just you and I, one another Im gonna do it right girl, Im gonna hold you tight girl
Till then, I gonna wait, anticipate that day
Im waiting for the right time, when youll be mine
You say that you love me, Im still gonna say
Say that you love me, Im still gonna say, I gonna do it right Daniel Bedingfield, Jahaziel, more than just enough
We got lots of trust, too much to lose
Confusing love with lust, no rush to touch
We can make it right, make it a night to treasure All the days of your life, Ill take you to heights
Hotter than Arabian Nights, but first girl
Im a make you my wife, staying for life
Cause it aint right if Im only in it, trying to take love
We gotta give if we ever gonna make love Im gonna honor your body anyway I can, now, baby
Cause we belong to somebody and that someone is God
When we do, well have wed each other
Forsaken all others, just you and I, one another Im gonna do it right girl, Im gonna hold you tight girl
Till then, I gonna wait, anticipate that day
Im waiting for the right time, when youll be mine
You say that you love me
