

Girl Friday (feat. Rick Ross)

Capital Cities

She's a (ohh)

She's a (yeah)

She's a (hah)

She's a (woo)

She's a (aha)

She's a (hoh)

Boss

She's my Girl Friday

She's my Girl Friday

I'm her Boy Wednesday

I'm her Boy Wednesday

She's my Girl Friday

She's my Girl Friday

I'm her Boy Wednesday

I'm her Boy Wednesday

Hello?

You are the one I wanna take out on the weekend

Oh, hi!

Do not pretend you wanna end what we got going

Okay

How about a movie?

Baby, tell me that you're free then

I'm sorry. But I think I got Tuesday and Wednesday open

She's got things to do everyday of the week

While I'm just playing hide and desperately seek

I wait around the clock, but her calendar is blocked

I'm a hard place

And she's a rock, she's a rock

She's my Girl Friday

She's my Girl Friday

I'm her Boy Wednesday

I'm her Boy Wednesday

She's my Girl Friday

She's my Girl Friday (It's the biggest boss)

I'm her Boy Wednesday

I'm her Boy Wednesday (Yeah, I love this)

I think we fell in love outside a Wingstop

Put the joint out when I hopped right out the t-top

You're looking like something I could deal with

Get between your thighs, maybe have that happy meal with

Either way I got to put you on the calendar

Take you on a tour so someone call my manager

Biggest boss got my shirt off, off at Coachella

Biggest blunts, everybody got their own fetish

So we at the concert at the frat house

Drink with live music 'til we passed out

Everybody rocking with the big boss

Let's roll another joint soon as class out

Said this year we wanna do it bigger

So you came and got the right

On stage and I'm looking for the best kitties

Put your middle finger up for Capital Cities

She's my Girl Friday

She's my Girl Friday (It's the biggest event of the year)

I'm her Boy Wednesday (It's the biggest boss)

I'm her Boy Wednesday (Capital Cities)

She's my Girl Friday (Put your fingers in the air)

She's my Girl Friday

I'm her Boy Wednesday (Hold 'em up)

I'm her Boy Wednesday (Wooooooooo)

She's my Girl Friday

She's my Girl Friday

I'm her Boy Wednesday

I'm her Boy Wednesday

She's my Girl Friday

She's my Girl Friday (Boss)

I'm her Boy Wednesday

I'm her Boy Wednesday (Woo, woo)

Okay

She's a...

She's a...

Oh, hi!

She's a...

She's a...

Oh, hi!

She's a... (Boss)
