I'm Okay

Sam Ock

I'm okay
any day
when the leaves fall when it rains
in my troubles all my pain
because you love me
I'm okay
every day
when im swerving through lifes lanes
all the fears and all the blame
because you love me
I wish I could write a simple kind of love song
but in light of eternity the roads long
going on endlessly
true serenity
bought upon the tree
Jesus bled for me
so perceving that time goes on forever
simple romantic love with the half better
its sure swell
but just an image of the real thing
ill never let the romance overtake my king
its hard to believe that my soul will live forever
it feels like to this physical world im tethered
there definitely is a spiritual war i know it
like the pens trying to force affections of the poet
i know that many cant relate maybe some can
they try and find the role of love in the artist's plan
cause lord i dont wanna sing of love that wont last
I'm okay
any day
when the leaves fall when it rains
in my troubles all my pain
because you love me
I'm okay
every day
when im swerving through lifes lanes
all the fears and all the blame
because you love me
every sing day i wait for love to dance with me

dance with me
and i know that it aint so simple see
theres struggle within loyalty oh
theres so much that i want to be
so to you my good friends
or to you my lover
let us seek truth fervently my sister brothers
in all we do may we never settle for something less
then what were meant to experience knowing that were blessed
by our father above or given pleasure pains
to see the beauty of the summer nights and fall rains yeah
for i will sing in the darkest days knowin im forgiven and fought for and so ill sing
I'm okay
any day
when the leaves fall when it rains
in my troubles all my pain
because you love me
I'm okay
every day
when im swerving through lifes lanes
all the fears and all the blame
because you love me
singin
ba da da da da da da da
ba da da da da da da da
ba da da da da da da da da da da
ba da da da da da da da
ba da da da da da da da
