Holding You

Grey Daze

Endless hopes,well
That's too bad
Smile happy
Enjoy my pain
Hoping I can find
What we never had
Never holding you
It makes me
Bridge100% is where it lies
Behind the tide
Inside the ocean
Inside you oceanFrozen is the present past,oh
Made of stone,but breaks like,so
Take me now to where I want to go
Thoughts astray but who will knowIn a dream it seems
Just to hold my hand
Shaking the release
Stop me,
Stop me if you can
