Rollin' And Tumblin'

Cream

Hey
Hey
Hey
We were rollin' and tumblin'
Right the whole night long
We were rollin' and tumblin'
Right the whole night long
When I woke up this mornin', baby
All I had was gone
Well, I rolled my baby
She's goin' to jump and shout
Well, I rolled my baby
She's goin' to jump and shout

When that train rolls up, boys
I'm gonna come walkin' on home
Hey
Hey
Hey
Engine driver blows that whistle
Fireman rings that bell
Engine driver blows that whistle
Fireman rings that bell
Well, I didn't have time, boys
To bid my baby farewell
