

# Peel Me a Grape

## Anita O'Day

Peel me a grape, crush me some ice  
Skin me a peach, save the fuzz for my pillow  
    Talk to me nice, talk to me nice  
You've got to wine and dine me  
    Don't try to fool me  
    bejewel me  
Either amuse me or lose me  
I'm getting hungry, peel me a grape  
    Pop me a cork, french me a fry  
    Crack me a nut, bring a bowl full of bon-bons  
    Chill me some wine, keep standing by  
    Just entertain me, champagne me  
    Show me you love me, kid glove me  
    Best way to cheer me, cashmere me  
I'm getting hungry, peel me grape  
    Here's how to be an agreeable chap  
    Love me and leave me in luxury's lap  
    Hop when I holler, skip when I snap  
When I say, 'do it,' jump to it  
    Send out for scotch, call me a cab  
    Cut me a rose, make my tea with the petals  
    Just hang around, pick up the tab  
    Never out think me, just mink me  
    Polar bear rug me, don't bug me  
    New thunderbird me, you heard me  
I'm getting hungry, peel me a grape
