I'm Sorry

Blackstreet

I'm sorry, I would do anything for you
Will you forgive me?
Just don't cry, don't cry, listen
Oh yeah, just wanted to talk to you
I'm sorry
Just when you think you're strong enough
Temptation raises it's head
'Cuz I kept on thinkin' that I got a good woman back home
But I didn't regret it 'til it was over
What should I do? I should've never told
You were untrue, how could I let it show?
That girl put a spell on me, I couldn't stop thinking about it
But I've got my lady that I can't live without
If you look in my eyes, it says I'm sorry
I didn't mean to hurt or ever make you cry
I know I've got a good thing, girl, so don't you worry
I'll go outta my way to keep you satisfied
We've got a future, gotta move along
I know it's easier said than done
But don't let this one mistake, put a break on what we've made
Please forgive me, I'm so sorry, oh
Even though I forgive you it won't be the same
All those sleepless nights explaining everything
That girl put a spell on me, I couldn't stop thinking about it
But I've got my lady that I can't live without
If you look in my eyes, it says I'm sorry
I didn't mean to hurt or ever make you cry
I know I've got a good thing, girl, so don't you worry
I'll go outta my way to keep you satisfied
Girl, I'm sorry, forgive me
There's no reason why, oh please don't cry
I love you, oh, no, oh, oh, oh
Lady, lady, pretty lady
Please, I promise I
I'm saying that I'm sorry
If you look in my eyes, it says I'm sorry
I didn't mean to hurt or ever make you cry
I know I've got a good thing, girl, so don't you worry
I'll go outta my way to keep you satisfied

If you look in my eyes, it says I'm sorry
I didn't mean to hurt or ever make you cry
I know I've got a good thing, girl, so don't you worry
I'll go outta my way to keep you satisfied
I'm sorry
