

Leave Me

The Hollies

Leave me
If it gives you satisfaction
slander my name all over the place
Don't you have an inclination
you're gonna ruin a reputation
Leave me

[Chorus]
Tell me
Now I've got you in the corner
won't you admit you've been telling me lies
I don't care about you
I'll get along without just
Leave me

It's so hard to please (hard to please) you yeah
Tease (hard to tease) you

Leave me
I don't ever want you near me
Pack all your things and get out of my sight
Your love was made of sand
I've had all I can stand
Leave me

[Chorus]
You've got to leave me baby
Come on now
You've got to leave me baby
